## **NEW SKYPE 2011 RELEASES**

This is to notify that new updates have been released for Skype. Following are major new features:

- Talk more for free via Voice Over IP (VoIP)
- Lower cost when connecting to landlines (much cheaper than Calling Card)
- Record your conversation (better than telephone quality)
- Instant messaging & file-sharing, video calls
- Now available on PSP!

Skype has changed the way we think of telecommunications.

Thank you for choosing us.

**With best regards,**
